

Super Detox®

Supports healthy liver function

- Supports the liver's cleansing and detoxification functions
- Promotes healthy liver function
- Protects the liver from toxin-induced damage
- Contains ingredients that have been shown to provide antioxidant protection for the liver

What is Super Detox?

Super Detox® is formulated to support the liver's cleansing and detoxification functions. As one of the body's most essential organs, the liver helps remove toxins from blood along with a myriad of other vital functions, including: the production of enzymes and bile that aid in the digestion of food, storage of energy to fuel muscles, maintenance of normal blood sugar and cholesterol levels, as well as the regulation of several hormones. A healthy diet and nutritional supplementation can help protect the liver from oxidative stress and potentially harmful substances, and keep it functioning optimally. Ingredients like Milk Thistle, Red Clover, N-Acetyl Cysteine (NAC), Calcium D-glucarate and other healthful nutrients are blended in Super Detox to provide nutritional support and promote overall healthy liver function.

PRIMARY SUPPORT:

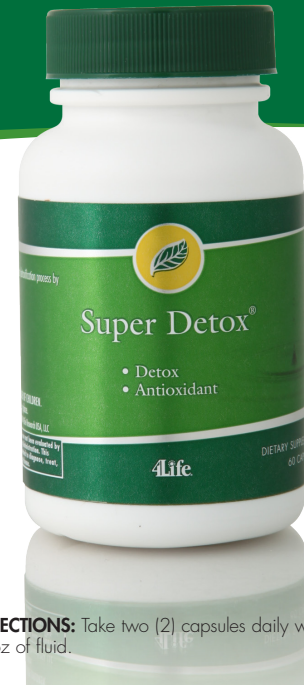

Cleansing & Detox

Key Features

- Includes Milk Thistle, known to support healthy liver function.
- Contains Red Clover and Artichoke to aid in detoxification and liver strength.
- Provides antioxidant support with NAC.

Did You Know?

Super Detox is beneficial when taken for 30 days, every three months, or as a daily supplement. You can also help maintain your daily nutritional support with 4Life's RiteStart® for Men or for Women to promote liver and overall healthy body function.

DIRECTIONS: Take two (2) capsules daily with 8 oz of fluid.
